

**MAYOR AND COUNCIL MEETING AGENDA  
TUESDAY, AUGUST 25, 2009, 7:00 p.m.**

CALL TO ORDER

PLEDGE

ROLL CALL - Johnson, Biser, Bowie, Stull, Tome, Smith—all present

MAYOR'S REMARKS - Bulk Trash October 17 will be expanded to include hard plastics and electronics.

MML notified Mayor that tomorrow the Governor's Office will announce further cuts in State Highway User Funds for FY 2010.

Sneak preview of Ken Burns' film, "The National Parks: America's Best Idea", on September 3, 2009 at Square Corner Park.

CITIZENS' FORUM

Ellis Burruss, Souder Road - Pesticide and herbicide comments regarding dangers of use. These are tested in isolation. Refers to a letter to City recommending policy regarding use. Roundup is normally safe.

Kim Doyle, 207 North Dayton Ave. - Agrees with Ellis' statements. Commends the City for ceasing pesticide use until more information is discovered.

Jerry Cayford, 6 First Ave. - Questions what is the next step? Requests the use be placed on future agenda. Senses tension between citizens and government.

Mayor - We want to stay in compliance and establish a base line. City wants to ensure that the products used are accepted by regulatory agencies. Will also look at alternate methods. City must measure effectiveness and cost of any product used for weed/grass and other invasive vegetation.
